

Directions to: Old Lanwarnick, Duloe, Liskeard, Cornwall, PL14 4QF

****** Please do not use Sat Nav to guide you here. ******

If you do use Sat Nav we suggest searching for Old Lanwarnick rather than using the post code. The post code takes you to an area called Trefanny Hill that is down the road!

This is the easiest route is via Plymouth on the A38

1. Follow the A38 from Plymouth to Liskeard.
2. Stay on the A38 and proceed past the Liskeard junction.
3. At the next roundabout (Twelvewoods) take the 2nd exit sign posted St. Austell A390.
4. Proceed through East Taphouse and after the petrol station on your right, turn first left (sign posted Looe) onto the B3359.
5. Proceed for approx. 3.5 miles (after approx. 3 miles you will pass a sign for Herodsfoot Deer Park) and shortly after that you will see a staggered crossroads sign. (if you pass a red, green and blue farm entrance signs on your right, you have gone too far!!!)
6. At the staggered crossroads, turn left (sign posted Churchbridge and Duloe)
7. Take the 2nd turning right (signed Lanwarnick and Prendriscott)
8. Continue down this lane. It will get a little narrow and bendy. Don't turn left to Prendriscott but continue down the hill.
9. At the bottom of the hill there is an old barn in front of you and an old pole barn, the lane bends sharp left but you need to turn right, down the small concrete lane.
10. You should then see the Old Lanwarnick millstone in the wall at the far end of the lane.
